

## *PSP Tubers and Sig Tag Makers*

Thank you for your interest in my artwork for use in your images!

Below are my specific terms of use when using my artwork in making your images. These terms are in addition to the general terms put forth by mypsptubes.com.

### The Artist's Amendment to Standard Terms of Use:

You may make eyes of any image blink and hair move, but absolutely **NO MOVING LIMBS, BREASTS, OR BREATHING IMAGES.**

You may change a color image to black and white or monotone for monochromatic tags, but a color image may not be changed to grayscale and then colorized. Images created in grayscale (or monotone) may not be colorized except for the creation of monotone (one color) tags. Color elements of an image may be enhanced (sparkled or light noise added) but may not be changed to a different color.

Any changes you would like to make that are not covered here require written consent from the artist.

Thanks!
